

Alumni Network

Join the Graduate School's Alumni Network!

After your studies, you can still maintain and develop the relationships you have established at Offenburg University: The **Alumni Network** provides a platform to cultivate contacts, establish new relationships and share information. The network consists of former students from the Graduate School, now living in places around the world.

Services for our Alumni

- Invitation to Alumni Events of the Graduate School
- Yearly **newsletter** from the Graduate School
- Possibility to attend University symposiums and events
- Receipt of the "Campus" magazine (on request)
- Special rates for courses of the "Institut für wissenschaftliche Weiterbildung" (link in German)
- Participation in all sports and selected excursions
- Personal use of the **library** (link in German), including research and consultation

Alumni Reunion 2018 Video

This video was created to mark the 20th anniversary of the Graduate School's international Master's programs. It contains the most beautiful memories of the special weekend in the Black Forest. Watch a 5 minute recap of our Alumni Reunion Weekend last year.

The Graduate School Alumni Map

Explore our new alumni map and see where our graduates come from. 94 countries, 6 continents and many cultures. Meet the people from all over the world at the Offenburg University of Applied Sciences.

Offenburg University Alumni Video

Studying in the city of Offenburg is an unforgettable experience. In the short video, international alumni share their experience during the studies, everyday life and the professional careers.
