

## Visiting scientists, Teaching Staff Mobility

### Welcome to Offenburg University!

Offenburg University welcomes academic and administrative staff from partner universities to visit our institution within the Erasmus+ staff mobility framework.

Prospective visitors could greatly profit from the exchanging of ideas, learning new work methods and fostering teaching and research cooperation. Staff and students alike may benefit from the contributions and cultural variety that visitors from all over Europe bring to the day-to-day operations of our university.

If you are interested in spending your Erasmus+ staff mobility at Offenburg University, please send a message to the staff mobility coordinator, Ms. Susanne Ziemer.
