Zonta is a worldwide association that aims to improve the legal, economic, political and professional situation of women. Since 2009, the Zonta Club Offenburg-Ortenau has been supporting female students in traditionally male dominated fields of study by awarding two annual Science Fellowships for the duration of a Master's degree study program.

Here you can download the [scholarship description](#) and [application documents](#) for 2017. The deadline for applications is 31 October 2017.

The contact person for the fellowship is Professor Sabine Burg de Sousa Ferreira ([sabine.burg@hs-offenburg.de](mailto:sabine.burg@hs-offenburg.de), who is also also the University's equal opportunities officer.
